

DIALOG SEMICONDUCTOR PLC

Advanced Mixed Signal Call Invite

Wednesday 11th December 2019

Dialog Semiconductor (XETRA: DLG), a provider of highly integrated power management, Configurable Mixed-signal IC, AC/DC power conversion, LED backlighting and Bluetooth® low energy technology, will host a webcast on the key technologies in its Advanced Mixed Signal segment on **Wednesday 11th December 2019**.

Davin Lee, Senior Vice President and General Manager Advanced Mixed Signal, will host the webcast and Q&A session.

The call will be conducted in English and will commence at **12:00 (London) / 13:00 (Frankfurt)**.

Please see below for call details.
